## TOURIST TAX

Cavenago di Brianza, like many municipalities in Italy and around the world, has introduced a Tourist Tax for visitors staying in the area, as established by Municipal Council Resolution No. 30 dated 30.11.2025.

The amount ranges from €1.00 to €2.00 per person per night, depending on the type of accommodation, as specified in Municipal Executive Resolution No. 70 dated 06.11.2025.

Accommodation providers are required to issue a separate receipt for the amount paid or to indicate the corresponding Tourist Tax amount on the invoice.

Staff are obliged to provide all relevant information regarding the tax and the categories exempt from payment.

Revenue from the Tourist Tax will be used to fund initiatives that benefit tourism, particularly the maintenance, fruition, and restoration of local cultural and environmental assets.
